The Honorable George L. Murphy
United States Senate
Washington, D. C. 20510

Dear Senator Murphy:

I have just read with interest your remarks on the floor of the Senate in anticipation of the celebration of "Submarine Week" during the week of 11 to 17 April 1966. I was, of course, most interested in your remarks concerning the Polaris program in which I was very happy to have played a part.

I very much appreciate your sending me a copy of the Congressional Record which contained your statement.

Sincerely,

(Signature of W. F. Raborn)
